卷之三

I cannot think there remains any greater
danger than the neglect of conservation to date.

This site plan illustrates the layout of a residential complex across six buildings, labeled A through F. The buildings are arranged in a staggered pattern along a curved boundary.

- BUILDING A:** Located at the top left, containing units 101, 102, 103, 104, 105, and 106.
- BUILDING B:** Located at the top right, containing units 107, 108, 109, 110, 111, and 112.
- BUILDING C:** Located in the center, containing units 101, 102, 103, 104, 105, and 106.
- BUILDING D:** Located below Building C, containing units 101, 102, 103, 104, 105, and 106.
- BUILDING E:** Located below Building D, containing units 101, 102, 103, 104, 105, and 106.
- BUILDING F:** Located at the bottom center, containing units 101, 102, 103, 104, 105, and 106.

The complex is situated near several roads:

- North Bay Point Road:** A major road running diagonally from the top right towards the bottom left.
- East Bay Shore Drive:** A road running parallel to North Bay Point Road on the left side.
- West Bay Shore Drive:** A road running parallel to North Bay Point Road on the far left.

A legend in the bottom right corner indicates the following room numbers:

1	2	3	4	5	6	7	8	9	10	11	12
