Office of the Board of County Commissioners,

Ottawa County, Ohio.

September 23, 1974

The Board of County Commissioners of Ottawa County, Ohio, met in regular (Regular or Special)

session on the 23rd day of September, 1974, at the office of Ottawa County Commissioners with the following members present:

Mr. Steve J. Novak

Mrs. Helen J. Hofkar

Mr. Walter F. Albrodt

Mr. Albrodt moved the adoption of the following Resolution:

WHEREAS, This being the day fixed by said Board, in its order dated the 12th day of August, 1974, for the final hearing on the Reports and Schedules of the County Engineer, on the estimated assessments, on claims for compensation or damages and on the proceedings for the improvement, and on application filed for change of route or change in the nature, kind and extent of the work proposed to be done; and

WHEREAS, Said Board finds that due and legal notice of this final hearing has been given as required by law; and

WHEREAS, Said Board has heard all the evidence offered in the proceedings and received and considered all the schedules and reports filed by the County Engineer; therefore, be it

RESOLVED, That said Board review and reconsider its former order made and dated the 25th day of June, 1973, in favor of said improvement; and be it further RESOLVED, That said Board hereby approve the maps, profiles, plans, schedules and reports prepared by the County Engineer, as amended in its order dated the 12th day of August, 1974; and

WHEREAS, This Board has considered the cost of location and construction, the compensation for land taken, the damages to land along or in the vicinity of the route of the improvement, the damages to land below the lower terminus of the improvement which may be caused by constructing the improvement, the sufficiency of the outlet, the benefits to the public welfare, and the special benefits to land needing the improvement, etc.; therefore, be it

RESOLVED, That said former order finding in favor of said improvement made at the first hearing on the 25th day of June, 1973, be and the same is hereby affirmed; and

WHEREAS, Objections to the proposed assessment having been filed by

Howard Dye

and the Board having heard said objections and all evidence offered for or against the assessment proposed to be levied against any owner or on any land, as shown by the schedule of assessments filed by the County Engineer and any competent evidence on the question of benefits, and from an actual view of the premises; therefore, be it

RESOLVED, That the assessments be and the same are hereby amended and corrected as follows, to-wit: No changes in assessment. Relocation of Ditch to be made by the County Engineer from Bredenoft's existing drive culvert westerly along north side of driveway to Portage So. Rd. #111, thence southerly under the driveway along east side of road to existing x-over at beginning of ditch as petitioned. No changes in construction costs.

Howard Dye objection denied.

and be it further

RESOLVED, That said County Engineer's assessments as so amended and corrected be and the same are hereby approved and confirmed; and be it further

RESOLVED, That \$ 6,015.81 be and the same is hereby assessed for benefits to the general public by reason of the improvement being conducive to the public welfare and shall be paid by the public and assessed against the County, and \$ 189.77 found to benefit State or County Roads or Highways be and the same is hereby assessed against the County, and the following sums found to benefit the following political subdivisions of the State be and the same are hereby assessed against such political subdivisions, respectively:

Salem Twp. \$189.77
