

To Whom it may concern:

Permission is hereby granted to James Puehler, Box 220, Millbury, O.
to place a pipe along the Hellwig Rd. #65
for the purpose of New Driveway

In accordance with the County Commissioners resolution dated December 13, 1965, any person desiring to place a pipe along any County or Township Highway shall be required to obtain a permit from the Ottawa County Engineer for said installation.

The permittee shall be responsible for the maintenance and safety of traffic and the acceptance of this permit will constitute an agreement between the permittee and Ottawa County that James Puehler will keep Ottawa County free from any claims for damages as a result of the placing of said pipe. The size, type and elevation will be as directed by the Engineer. The Engineer will be responsible for the inspection of said installation and the applicant will construct the same according to the permit or it will be liable for removal at the applicant's expense.
