moved the adoption of the following Resolution:

Whereas, This being the day fixed by said Board in its order dated the 7th day of

July , 19 77, for the hearing on the petition in the above named im-

provement, the said Board met at its office, and conducted said hearing by causing the petition to be publicly read, together with all applications for and remonstrances against the improvement, and all applications for change or extension of the improvement, previously filed in writing; and

Whereas, After proper examination, said Board finds that due and legal notice has been given in the manner and for the length of time required by law, to all owners of land affected by said improvement; and

Whereas, Said Board has made an actual view of said proposed improvement and has heard either in person or by counsel all evidence offered by any owner of land for or against the granting of the proposed improvement, or for or against the granting of any laterals, branches, or spurs, or change of route, course, termini, or manner of construction described in the petition, or in any application therefor; therefore, be it

Resolved, By the Board of County Commissioners that said Board hereby finds that the said proposed improvement petitioned for is necessary and will be conducive to the public welfare, and it is reasonably certain that the cost thereof will be less than the benefits, and the prayer of the petition is hereby granted; and it further finds that the following described route and termini of the proposed improvement and of the branches, spurs and laterals thereof, and the manner of constructing the same are the best and the same are hereby adopted and prescribed by said Board:

Commencing at the Sandusky-Ottawa County Line in Section 24, T6N, R14E, Harris Township, Ottawa County, Ohio, thence northeasterly to Mud Creek Rd. #36 or a point east between Mud Creek Rd #36 and Muddy Creek north Rd. #214 whichever is a sufficient outlet to be determined by the County Engineer and determined to some extent by the level of Lake Erie and the Portage River. Total Distance being between 5.70 and 7.3 miles.

and be it further

Resolved, That the County Auditor be authorized to transfer from the general revenue funds of the county, not otherwise appropriated, to the general drainage improvement fund the sum of* \$25,000.00 ; and be it further

Resolved, That the County Engineer be and he is hereby directed to cause to be made the necessary survey for the proposed improvement, plans for the structures, maps showing the location of the land proposed to be assessed, and profiles showing the cuttings and gradient of the improvement, and make an estimate of the cost of the construction of said improvement; which shall include actual construction cost of engineering and the cost of notices, publication and other incidental expenses; and set proper construction stakes, beginning at the upper terminus of the improvement, and perform such other duties as required by Section 6131.14 of the Revised Code of Ohio; and be it further

Resolved, That the 19th day of March, 19 79, at 10 o'clock A. M., be and the same is hereby fixed as the time for filing with the Clerk of the County Commissioners all of said maps, profiles, schedules and reports prepared by said County Engineer; and be it further

Resolved, That further hearing on said improvement be and the same is hereby adjourned to the date above fixed for the filing of the reports and schedules by the County Engineer.
