RESOLUTION—COMMISSIONERS' FINDING FOR THE IMPROVEMENT

Rev. Code, Secs. 6131.12

In the Matter of the
Single County Ditch No.
Petitioned for by
J. L. Elmers and others.

Office of the Board of County Commissioners,
Ottawa County, Ohio.
August 26, 1971

The Board of County Commissioners of Ottawa County, Ohio, met
in regular session on the 23rd day of August, 1971, at the
(Regular or Special)
office of the County Commissioners with the following members present:

Mr. Foreman

Mr. Novak

Mr. Milbrodt

Mr. Milbrodt moved the adoption of the following Resolution:

Whereas, This being the day fixed by said Board in its order dated the 6th day of July, 1971, for the hearing on the petition in the above named improvement, the said Board met at its office, and conducted said hearing by causing the petition to be publicly read, together with all applications for and remonstrances against the improvement, and all applications for change or extension of the improvement, previously filed in writing; and

Whereas, After proper examination, said Board finds that due and legal notice has been given in the manner and for the length of time required by law, to all owners of land affected by said improvement; and

Whereas, Said Board has made an actual view of said proposed improvement and has heard either in person or by counsel all evidence offered by any owner of land for or against the granting of the proposed improvement, or for or against the granting of any laterals, branches, or spurs, or change of route, course, termini, or manner of construction described in the petition, or in any application therefor; therefore, be it

Resolved, By the Board of County Commissioners that said Board hereby finds that the said proposed improvement petitioned for is necessary and will be conducive to the public welfare, and it is reasonably certain that the cost thereof will be less than the benefits, and the prayer of the petition is hereby granted; and it further finds that the following described route and termini of the proposed improvement and of the branches, spurs and laterals thereof, and the manner of constructing the same are the best and the same are hereby adopted and prescribed by said Board:

Commencing at the Billman Rd #54 at the west line of Section 8, T7N, R13E, in Allen Township; thence easterly through Section 8 and 9 to the old interurban railroad right of way on the north and south half-section line of Section 9 in Allen Township and there to terminate.

Said proposed improvement covers a total distance of approximately 1.6 miles.

and be it further

Resolved, That the County Auditor be authorized to transfer from the general revenue funds of the county, not otherwise appropriated, to the general drainage improvement fund the sum of¹ two hundred eighty six & 80/100-----; and be it further

Resolved, That the County Engineer be and he is hereby directed to cause to be made the necessary survey for the proposed improvement, plans for the structures, maps showing the location of the land proposed to be assessed, and profiles showing the cuttings and gradient of the improvement, and make an estimate of the cost of the construction of said improvement; which shall include actual construction cost of engineering and the cost of notices, publication and other incidental expenses; and set proper construction stakes, beginning at the upper terminus of the improvement, and perform such other duties as required by Section 6131.14 of the Revised Code of Ohio; and be it further

Resolved, That the 25th day of August, 1972, at 10 o'clock A. M., be and the same is hereby fixed as the time for filing with the Clerk of the County Commissioners all of said maps, profiles, schedules and reports prepared by said County Engineer; and be it further

Resolved, That further hearing on said improvement be and the same is hereby adjourned to the date above fixed for the filing of the reports and schedules by the County Engineer.
